## Experience

**Rupp Graphics**                      **Orlando**                      **2010 - Present**  
**Freelance Graphic Designer**

**Responsibilities:** I create any graphic designs for small business. I take contract jobs that may require me to design a logo, web page and or any print material. I maintain some of my client's web pages presently.

**Art World**                              **Orlando**                      **2005 - 2013**  
**Freelance Graphic Designer**

**Responsibilities:** Art World is one of my former clients who I successfully helped rebrand the company. I updated the company web site design and logo. I designed all print material for the company. I currently update the company web site on an as needed basis. Web site url [www.artworldbodypainting.com](http://www.artworldbodypainting.com)

**Skin Rejuvenation**              **Orlando**                      **2008**  
**Freelance Graphic Designer**

**Responsibilities:** I gave the company a fresh new look that was up to date and marketable. I designed the company logo and I designed and coded the company web site. I developed new marketing ideas for newspaper ads, leaflets, brochures, and internal design.

**Belo Printing**                              **Orlando**                      **Jan 2007 – Dec. 2007**  
**Graphic Designer / Web Designer**

**Responsibilities:** I started out as a type setter. Eventually I became a graphic designer for the company. The last position I held was web designer. I began with the simple responsibility of placing information into templates. When I move up to a graphic designer position I designed logo's, banners, web banners, business cards, real estate sign's, flyers and car magnets. In the web designer position I updated the company webs site and I also preformed all my normal graphic design duties.
